Dear Mr Stenson

### Vehicle Licence Concession - Charitable Organisations

Thank you for your recent application requesting a Charitable Organisation concession for the following vehicle(s).

1GOH310 Mitsubishi Bus Type

The concession application that you have signed was made under the *Oaths, Affidavits and Statutory Declarations Act 2005* and as such is a legal document. It has been noted in your Statutory Declaration you have declared that the above vehicle(s) will be used to provide direct aid to the needy.

For that reason, your application for the above concession has been approved.

Under the provisions of the *Road Traffic (Vehicles) Act 2012* where a vehicle licence concession is granted and the vehicle is used for purposes other than those for which the concession was granted, the vehicle is deemed to be unlicensed.

**Please Note:** Future applications for concession licences for additional or replacement vehicles will require a new application form to be completed. Forms that have been pre signed or photocopied with signatures then vehicle details added by a third party at a later date will not be accepted. Completion of the declaration must be in compliance with the *Oaths, Affidavits and Statutory Declarations Act 2005*.

Please refer to the Customer Contact on the telephone number at the top of this letter if you require any further assistance in relation to this matter.

Yours sincerely
